All other company and product names/logos used in this website are used under license and are the property of their respective owners. Some vaccine makers would prefer to keep it that way. The federal government has released its new guidelines for parents, who must vaccinate their children, but can request

exemptions. A new rule requires a doctor to determine why they'd prefer their child not receive a vaccine by observing how the child manifests what it considers to be an adverse reaction, as outlined in the Centers for Disease Control and Prevention's guidelines. Overall, the new
