For years, people have wanted a scooter that could be wheeled around anywhere. By harnessing centrifugal force in the Y-Plate Mobility™, your child can go anywhere on a 15” wheel base, 9 ft. shoulder width, 5 ft. high deck platform, even going up and down stairs on their own. The Y-Plate Mobility™ is our easy way out of the garage. Download the... The Y-Plate™ is the easy way out of the garage. We have harnessed our time-tested, patented Y-Plate™ design to create a scooter that your child can easily navigate anywhere, thanks to the cushioned undercarriage. All you have to do is load it on and watch them cruise around all over the place. We have not only reinvented the way scooters are made, but we have also... Y-Plate Mobility is here!
