Also in preparation for the launch of the game and the new environment, Victor Wolfenstein has created and curated a digital artbook with 140 pages of high quality images of the game that was never released! The artbook can be found in your Big Crown: Showdown folder. About the game: Crowning glory awaits you in an action-packed 3D world that explores the human mind as it is ripped apart by madness. Developed by KBMOD, this grand-scale RPG features a distinctive post-apocalyptic sci-fi setting, lifelike characters and a dangerous and puzzling storyline where each action you take can turn out to be your last. Features: Concept Art: Post-apocalyptic environment Co-op and Multiplayer with friends Crowns Season Pass Contents and DLC Character Selection Item EditiN & Purchase features Steam: Season Pass: -Co-op and Multiplayer with friends -Crowns -Lifelike Characters Steam Community (Multiplayer): -DLC Character Selection -Item EditiN & Purchase features -Reimagine the metaverse -Pipe and Smoke collection (available now) -Increased item limit and more content -Burning arete quest, available now -Mod support and more DLC Character Selection: Three new DLC characters: -Rachael: An investigative reporter -Agent 339: A security officer -Captain Black: A mercenary with unique skills If the Gold Edition was not enough, there is also the chance to get the game in the package of the season pass, which contains the definitive version of the game, in a special format with exclusive items and graphics! All this and much more! Check the news on our site, on Facebook and on Twitter What the developers have to say: Why is this game different from other action RPGs? What are my expectations? How can I manage them? What are the pros and cons of the title? Overall, it has a very engaging story and a deep, meaningful gameplay. We wanted to give a game to the community that not only shows how skilled the developers are, but showcases this quality through features like the Redesign UI, the new Hero System and a multitude of feedback functions. We wanted to surprise the community with an abundance of content, so that people who invested their time into the game would be rewarded.

Echoes III Features Key:

- Half-dragon agility, a classical knight class, enhanced by "dragon intuition", giving it a stonger defense and more talents from the strongest of dragons.
- Durability
- Quadruple attack strength, reached by patience and perseverance.
- +40% battle armor, increased to 80% with armor.
- Archer, a ranged combat role with an arrow cooldown of 5. Means this brave knight does not have to melee opponents.
- The ability to devolve into a dragon using Chi, as long as this is used to heal.

Game Proven and played experience

- The original version of the game (invented by Gary Gygax himself.) - one of the oldest RPG games to date.
- Gigantic die-rolls by Gary Gygax himself and all the original monsters with their original names.
- Bosses, almost all of them, have never been seen before in an RPG game.
- Many, many RPG classics like: Castle Greyhawk, Masters of the Dungeons and the Red Box version.
- Many more innovations, which became part of the classic Runequest system.

Dossiers

- Chronicle of the Dragons, Prequel of the book.
- Dungeon Fantastic, a gripping look into the life and work of Gary Gygax.
- More Dungeon Fantastic - info about the game's new edition.
- Magnum Opus - official rulebook.
- Personal Journals of Gary Gygax, abandoned.
- History of Dungeon Labyrinth, in the making.

Bug found, at level 15, the character was going through the process of transforming between armor sets, and weapon sets. To be more specific, there was a 'minus one' option there, which dictated the changing of the avatar to the set previously checked. The property system used a two digit name in the property group. Something like... 1PTRIPELT. However, since one number was being reserved for currency, the statistic rendering tab tried to create a numbered property by using a dictionary, and ran into an error. The error messages were being rendered in a loop. When the statistic rendering part of the event was called to create that property, it would receive the error message, and display a blank property box, until the next section was called. Very frustrating for a few minutes,

A global MMORPG where an all-powerful "mog" can make the mountains and oceans vanish. Skella Summon!The legendary Skellas have long been extinct, but they were finally brought back to life when a tiny baby tossed into a bottle disappeared. It was immediately taken to a research lab at the Hyrule Field Observatory. From the moment of birth, a new person has existed - The One - This person is the One Skella. Now that this person is about to reach adulthood, an army of Blood Jellies has been unleashed against the One Skella in an attempt to take away the One Skella's powers and destroy it. Protector of the KingThe One Skella is being watched over by the King's guardians and they ensure that it doesn't exert its powers to threaten the king. Although the goblins have been completely wiped out, they have only fallen back to get reinforcements and are staging a massive offensive. The One Skella has only been with the King for a few days, but it has gathered a strong sense of loyalty towards him. Its strongest desire is to protect the king - after all, it feels that its birth came from the King. One of a KindHe has yet to learn its true power. It's all too easy for people to simply turn their backs on him. It's far too easy for you to simply feel sorry for it... The One Skella has yet to face its fate. That is the destiny of every One Skella - to stand by the King. And it will never forget the One Skella's Loyalty. Ultimate TransformationThe One Skella is currently under the king's protection, but soon, it will be called upon to perform a great service. The person responsible for the One Skella's rebirth is the King. The king has been aware of the One Skella's presence, and has secretly been training it for months. The One Skella's ultimate destiny is to restore the world. If the One Skella has any chance of accomplishing this, it will have to face a very real danger. Do you think you have what it takes to take on this strange and terrifying world? About The One Skella: One Skella is a global MMORPG that allows players to play their favorite classic Zelda games. Welcome to the world of The One Skella.
