Ive played the game it's pretty good. the characters are unique and fun. the story is deep and complex. it doesn't have anywhere near the depth of, say, ELDEN QUEST or DIMENSIONS

OF THE ROSE KINGDIMENSIONS OF
THE ROSE KING but that's okay, for
this game, it's fine. Most of the story
is told from character's perspective,
which is sometimes done very well,
sometimes not so much. The story is
big and sprawling and, as I said, it

Home Server v2.30

New version 2.30 has been published!

Note: because of a misprint, it wasn't possible to add new functions in this version, so I made two versions:

- **New basic version, it fixes some bugs and improve usability;**
- **The realeased version with new features. If you want the new version (thanks to all people who helped me) you have to uninstall the latest version first (i.e. you have to uninstall 2.30.4 and install 2.30.5).**

The new version is a general update to make you more
